

Community Involvement Update

Hunters Point Naval Shipyard
BCT Meeting

September 4, 2014

Community Involvement Update: Presentation Outline

- **Review August Achievements**
- **Discuss September Goals & Objectives**

Community Involvement Update: August Achievements

• August Bus Tour Recap

–Reduced participation as compared to June Tours

- 69 community members (combined)

- 33 at 10:00 a.m. & 36 at 1:00 p.m. (Total available seats for community members: 50 per tour)

- All participants contacted via email and telephone to confirm participation

- 26 cancellations enabled all participants on waiting list to be offered seats

- 25 no-shows (combined between both tours)

- Community member comments were positive

- “Interesting Tour. Learned a bit about history of HPNS.”

- “Melanie did a great job of updating us. We look forward to next year’s tour.”

- “Very nice tour, informative. Handouts were helpful and ‘Ground Rules’ were a needed addition.”

- “More info on the Periscope Building would be nice...”

- “Very informative. Nice to have the tour to see the progress of the work.”

- “This tour was excellent. Very informative and interesting, the speaker was personable and knowledgeable. I am glad the Navy is doing such a thorough job on the clean up.”

- “Very interesting and informative tour. Our guide was knowledgeable and well-spoken.”

–ADA tour scheduled for Friday cancelled due to the participant’s health issues
